

20201001 Eset EndPoint 資安產品出現 Eset Management Agent 已過期

這是 **Eset Management Agent** 版本需要升級的訊息，而且，連同管理平台 **Eset Management Center** 必須一同升級。

目前已經聯絡台灣二版準備近日進行管理平台升級事宜，待升級完成再公告使用者端的 **Agent** 升級方法。

如果你想要先自行升級，可參考下方步驟進行升級。

一、請到下方聯結下載最新版本的 **Agent**

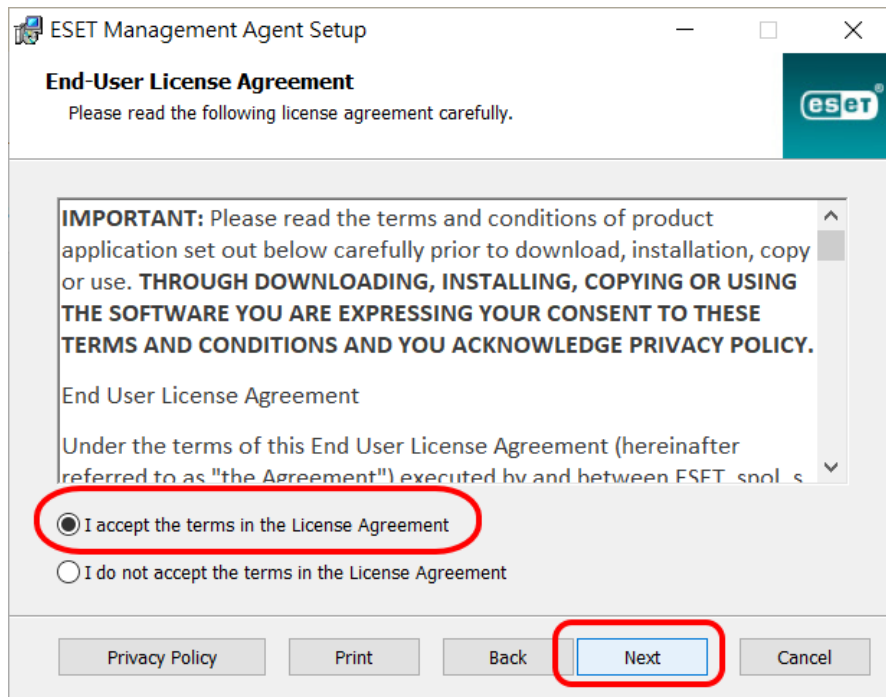

<https://www.eset.com/int/business/security-management-center/download/#standalone>

The screenshot shows the ESET website's download page for the Security Management Center Standalone Installers. The page has a dark header with the ESET logo and navigation icons. The main content area is titled "ESET Security Management Center Standalone Installers". Under the "Configure download" section, there are two dropdown menus: "Component" set to "Agent" and "Operating system | Bitness" set to "Windows Server 2016, 10, Server 2012R2 Core, 8.1, Server 2012R2, 8, Server 2012, Storage Server 2012R2, Microsoft SBS 2011, 7, Storage Server 2008R2, Vista, Server 2003, XP (64-bit)". A green "DOWNLOAD" button is prominently displayed. Below the button, the filename "agent_x64.msi", file size "66 MB", and version "7.2.1266.0" are listed. A "Changelog" link is also present. To the right, under "Documentation", there are links for "Online user guide" and "Find more documentation". Under "Download Options", there is a link to "Choose other product version".

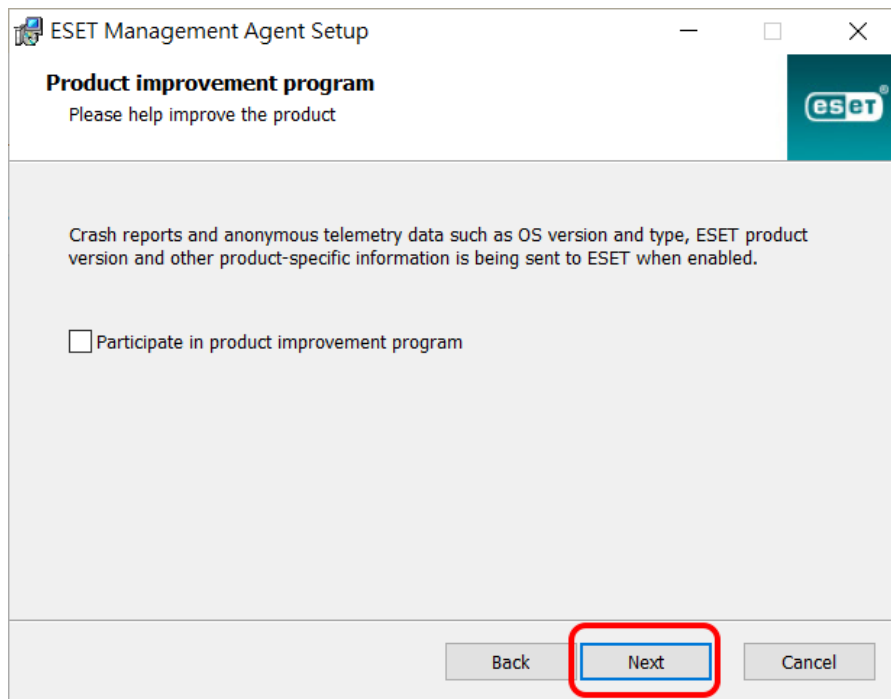

二、開始安裝

The screenshot shows the "ESET Management Agent Setup" window. The title bar reads "ESET Management Agent Setup". On the left, there is a teal vertical banner with the ESET logo and the text "SECURITY MANAGEMENT CENTER". The main area contains the text: "Welcome to the ESET Management Agent Setup Wizard". Below this, it says: "The Setup Wizard will install ESET Management Agent on your computer. Click Next to continue or Cancel to exit the Setup Wizard." At the bottom left, the version number "7.2.1266.0" is displayed. At the bottom right, there are three buttons: "Back", "Next" (which is highlighted with a blue border), and "Cancel".

三、接受授權聲明

四、是否參加改進計畫。

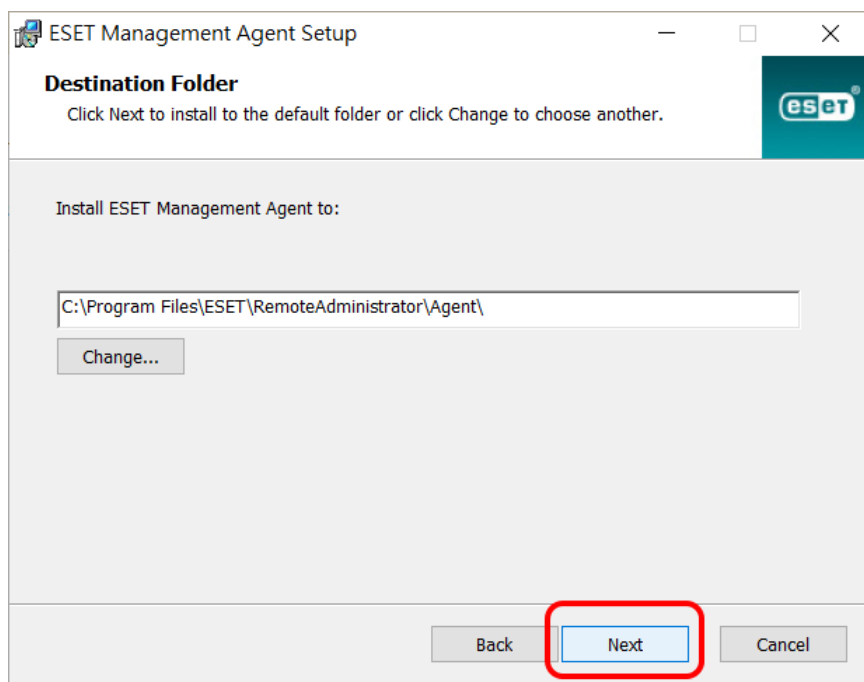

五、維持既有的連線設定

The screenshot shows the 'Agent configuration' window of the ESET Management Agent Setup. The window title is 'ESET Management Agent Setup'. Below the title bar, the text reads 'Agent configuration' and 'Please enter agent configuration below.' The ESET logo is in the top right corner. A red circle highlights the checkbox 'Keep currently used connection information', which is checked. Below this, the text says 'Network connection to ESET Security Management Center'. There are three input fields: 'Server host:' with the value 'era.kh.edu.tw', 'Server port:' with the value '2222', and 'Use Proxy:' which is unchecked. At the bottom, there are three buttons: 'Back', 'Next', and 'Cancel'. The 'Next' button is highlighted with a red circle.

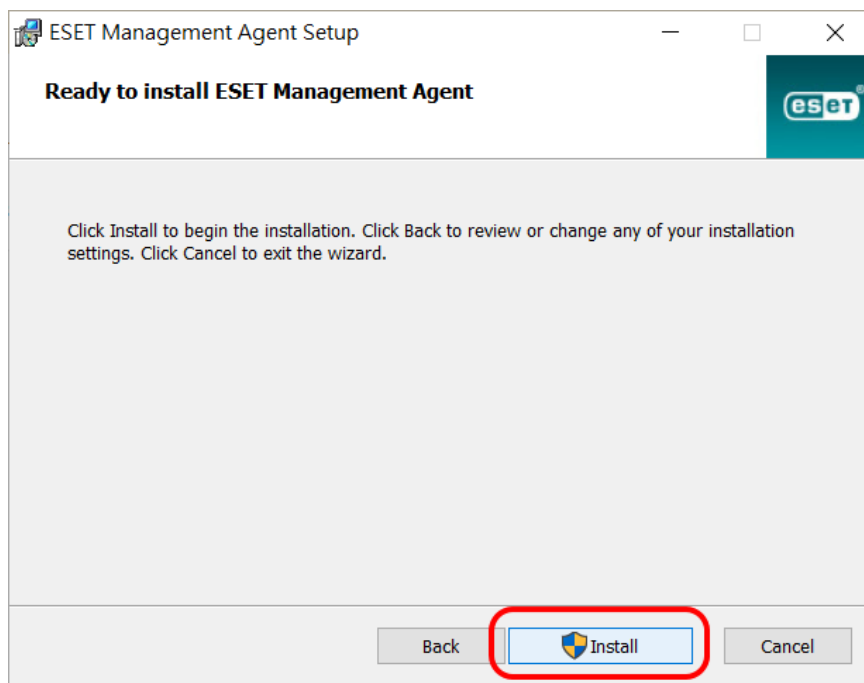

六、保留既有憑證

The screenshot shows the 'Peer certificate' window of the ESET Management Agent Setup. The window title is 'ESET Management Agent Setup'. Below the title bar, the text reads 'Peer certificate' and 'Enter certificate below.' The ESET logo is in the top right corner. A red circle highlights the checkbox 'Keep currently used certificates', which is checked. Below this, there are two input fields: 'Peer certificate:' and 'Certificate password:'. The 'Peer certificate:' field has a 'Browse' button next to it. Below these fields is a horizontal line. There is another input field: 'Certification authority:' with a 'Browse' button next to it. Below this field, there is a note: 'Can be empty if certificate is signed by certification authority already present in system store.' At the bottom, there are three buttons: 'Back', 'Next', and 'Cancel'. The 'Next' button is highlighted with a red circle.

七、決定安裝程式位置

八、開始安裝

九、安裝完成，請重新開機，升級完成。
